**Rick Owens**

Proenza Schouler, Thakoon, Reem Acra et al celebrated Paul Poiret, but the legendary couturier's pioneering spirit was subverted by Rick Owens, who looked to early cartoons satirizing Poiret's female disciples as insects.

**Burberry Prorsum**

Christopher Bailey swapped sweet English whimsy for Xena chic with an armour-centric style that was born from the brand's medieval emblem.

Johansson stars in *Girl with a Pearl Earring*

**Louis Vuitton**

Marc Jacobs went art-happy for Louis Vuitton, taking Vermeer's famous painting from wall to wardrobe. Fashion insiders, however, suspect the collection was as much an homage to the girl with the pearl earring herself (and current face of LV), Scarlett Johansson.

Idol in 1987

Hit girl Hilary Rhoda is the gorgeous reincarnate of Cindy Crawford, while Agyness Deyn exudes a punky originality that's got everyone rebellious for Billy Idol.
